

## ABSENT MAKE UP – LEVEL 2 – PANTOMIME VS. ABSTRACTION

Name: \_\_\_\_\_

Class: \_\_\_\_\_

Date of Absence: \_\_\_\_\_

Date turned in: \_\_\_\_\_

Pantomime: acting without words or the literal representation  
of something through movement

**ABSTRACTION:** *changing* **something** from *it's* **ORIGINAL** state

Write down 10 different descriptive words:

- 1.
- 2.
- 3.
- 4.
- 5.
- 6.
- 7.
- 8.
- 9.
- 10.

Then using these words choose something you did this morning (eat cereal, turn off alarm etc) and abstract it 10 times using the descriptive words you wrote. Then put those ten different abstracted movements into a phrase and make it a short dance. You can email the dance to me or come and show it to me in school within a week of your return of your absence. Turn in this paper with the Absent Make Up sheet stapled to it upon showing me the choreography or when you email it to me. Have fun!
